North Valley Vineyards wines celebrate the tremendous, qualitative diversity of the Willamette Valley, focusing on the cooler Northern part of the region where all of the area's renowned sub-appellations are located. These unique, dynamic wines hail from the finest vineyards we can source, expressing our creativity through blending, while remaining succinct examples of AVA-defining typicity and breed.

2012 Pinot Noir | ORIGIN: Yamhill Carlton "The palate is medium-bodied with gritty tannin, a mixture of red and black fruit but with a broody, almost saturnine finish... This is another very impressive Pinot Noir for Tony Soter."

MINERAL SPRINGS WHITE LABEL PINOT NOIR
MINERAL SPRINGS BRUT ROSE

These are 100% Estate grown wines of the highest caliber produced from our home site in the Yamhill-Carlton AVA -- Mineral Springs Vineyard, biodynamically farmed and planted in 2002. Small production Pinot Noir assembled from a variety of selected clones on our property, and tiny lots of "Methode Champenoise" Brut sparkling wines are the sole focuses, cultivated from our ancient, marine sedimentary-based soils.

2012 Mineral Springs Ranch Pinot Noir

"Vibrant and multilayered, offering black cherry, red plum, saffras and dead leaf flavors on a long silky frame. The gorgeous flavors float through the finish."
