

MINERAL SPRINGS RANCH 2011 PINOT NOIR

Signature scents of ripe can berries, dried fruits, spice and sandalwood dominate the aromatic profile. Silky on entry, the wine offers a burst of ripe berry flavors and vibrant acidity. It is juicy, fresh and mouth-coating with lovely sweet fruit qualities. A core of black cherry lingers with hints of earth and game emerging on the palate. Beautifully balanced with richness, ample grip, fine persistence and minerality.
