

MINERAL SPRINGS

2012 Blanc de Blancs

THE VINEYARD.

Mineral Springs Ranch (MSR) is a 240-acre Biodynamic farm and vineyard in the heart of Oregon wine country. Mineral Springs Vineyard consists of 40 acres of Pinot Noir and Chardonnay situated along the ridgeline of the property. The combination of respectful farming, ancient marine soils, and temperate climate, result in wines that are layered, nuanced, and captivating while expressing their singular place of origin.

THE VINTAGE.

2012 will go down as one of the finest vintages in the Willamette Valley history. After two previous vintages of some of the coolest temperatures on record, Mother Nature provided us with minimal rainfall, plenty of sunshine, warm and consistent temperatures throughout the day and perfectly cool nights. This optimal combination left us with fruit being evenly ripened and balanced, with high acidity, and all around outstanding quality.
