

MINERAL SPRINGS

2014 Brut Rosé

THE VINEYARD.

Mineral Springs Ranch (MSR) is a 240-acre Biodynamic farm and vineyard in the heart of Oregon wine country. Mineral Springs Vineyard consists of 40 acres of Pinot Noir and Chardonnay situated along the ridgeline of the property. The combination of respectful farming, ancient marine soils, and temperate climate, result in wines that are layered, nuanced, and captivating while expressing their singular place of origin.

THE VINTAGE.

The 2014 growing season will be remembered for its early spring, consistently warm summer and equally fine weather that persisted into the fall harvest. Little or no pressure from Mother Nature and a bountiful crop made for good spirits and richly endowed wines that show an unprecedented core of fruit and structure.
