

NORTH VALLEY VINEYARDS

The Willamette Valley is Oregon's most recognized appellation for cool climate varietal wines, and it is in the Northern part of this region where the finest vineyards are found - an epicenter we refer to as the North Valley - which includes all of the defined sub-appellations (the Dundee Hills, Ribbon Ridge, Yamhill-Carlton, etc.). It is from within this region of rolling hillsides and diverse soils that veteran winegrowers James Cahill and Tony Soter, along with North Valley partners, Brian Sypher and Michelle Soter, source certified sustainable vineyards of real "Cru" quality for these personality-driven wines. Meticulous, hands-on attention to farming practices throughout the growing season from flowering through harvest, and minimal handling in the winery, assures a resulting level of quality normally associated exclusively with estate grown wines - in fact, we think of each vineyard site we work with as if it were a "satellite estate property", as a statement of our genuine commitment to making the best wines we can.

NORTH VALLEY 2014 PINOT NOIR ORIGIN SERIES: RIBBON RIDGE

While we did not produce any of our limited production North Valley Vineyards Reserves or Origins wines from the 2013 vintage, we are excited to once again have a full lineup of these gems from the outstanding 2014 harvest. Warm weather throughout a long growing season delivered fully developed, ripe fruit, with especially precocious character. While you can readily "taste the sunshine" in these bottlings from 2014, we are pleased to have crafted very balanced wines that avoid excess. These wines will drink well in their youth, and also evolve beautifully for years to come.

Saturated, ruby red color in the glass. A big, round, juicy nose of black cherries, chocolate and warm spices leads the way. Very bright on the palate, offering a generous mouthful of black cherries, figs, clove and a hint of thyme. Rich, but eminently balanced, the flavors develop nicely through a finish that is long and structured. Quite expressive as a young wine, and while generous now, will impress as it develops with even greater complexity.
