

MINERAL SPRINGS

2015 Brut Rosé

THE VINEYARD.

Mineral Springs Ranch (MSR) is a 240-acre Biodynamic farm and vineyard in the heart of Oregon wine country. Mineral Springs Vineyard consists of 40 acres of Pinot Noir and Chardonnay situated along the ridgeline of the property. The combination of respectful farming, ancient marine soils, and temperate climate, result in wines that are layered, nuanced, and captivating while expressing their singular place of origin.

THE VINTAGE.

2015 was a year marked by a sunny, sybaritic spring that stretched into a gorgeous, prolonged summer. Growers were blessed by considerable yields of pristine fruit. 2015 was one of the largest and the earliest harvests in 50 years of grape growing in the Willamette Valley, but will be best known for the consistent beauty of its wines.
